

# INSTRUCTIONS FOR CREATING A SWISS BADMINTON ACCOUNT AND REGISTERING FOR TOURNAMENTS

To register for tournaments, you must create a personal account on the Swiss Badminton website (<https://www.swiss-badminton.ch/>). These instructions will help you do this step by step.

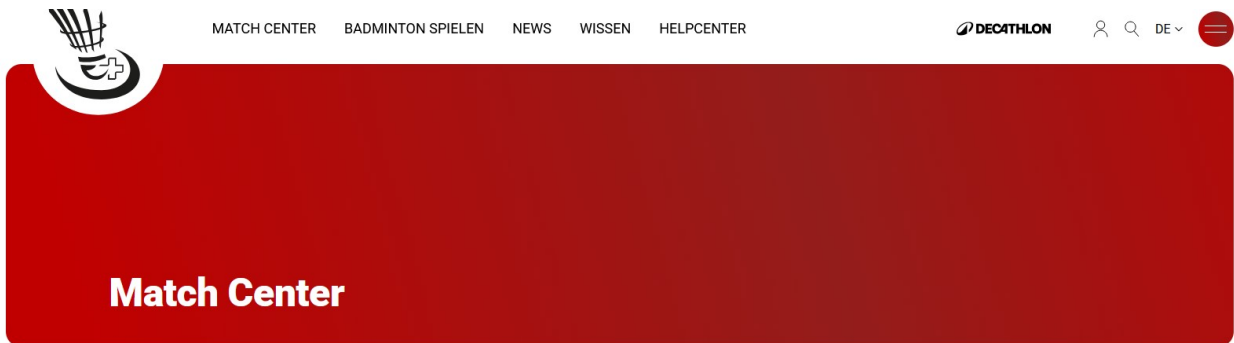

## SPIELER-ID

Before you can start creating an account, each person must know their player ID. This should be noted down first. The best way to do this is as follows...

Go to the Swiss Badminton website (<https://www.swiss-badminton.ch/>) and click on “Match Center” at the top of the page.

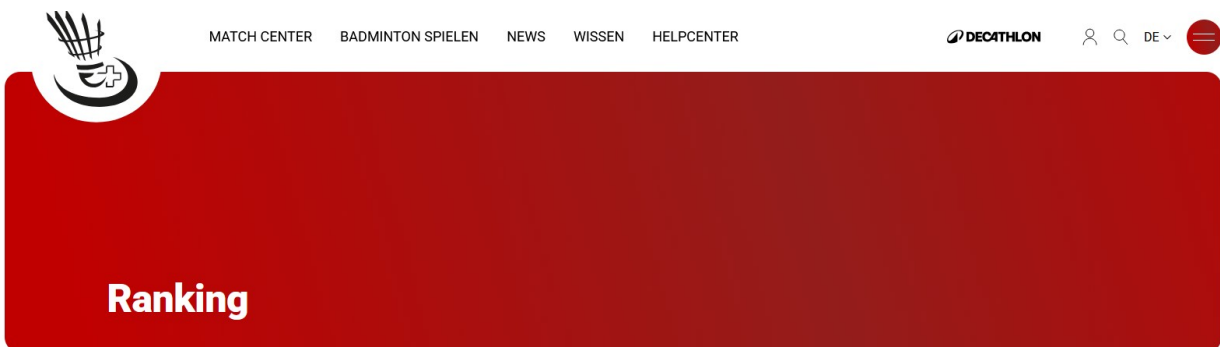

Once you have arrived at the Match Center, you will see three tabs to choose from: "Interclub," "Turniere," and "Ranking." Now you should click on "Ranking."

Then scroll down and click on "Herreneinzel" (Men's Singles) or "Dameneinzel" (Women's Singles)", depending on your gender. In the following example, I have assumed that you are male. However, the basic procedure is the same for women.

If you enter "TV Arlesheim Badminton" in the club filter and click on the blue "Filter" button, a list of all players from our club registered with the association will appear.

The screenshot shows the 'Swiss Badminton Ranking (52-2025)' page. A search bar at the top contains 'Suche'. The user 'Eliah Hueber' is logged in. The page title is 'Swiss Badminton Ranking (52-2025)' with a sub-note 'Zuletzt geändert am: Dienstag, 23. Dezember 2025 12:01'. Below the title, there are tabs for 'Ranglisten Übersicht', 'Turniere', and 'Suchen'. The 'RL-Woche' is set to '52-2025'. A search filter is active, showing 'von: Alle', 'bis: Alle', 'Club: TV A', and 'Nationality: Alle'. A dropdown menu for 'Club' is open, showing 'TV Arlesheim Badminton' selected. A red circle highlights the search filter area. The main table displays a list of players for 'Men's singles' with columns for 'Rang', 'Spieler:in', 'SpielerID', 'Punkte', 'Anz. Resultate', 'Level', 'Region', and 'Verein'. The first player listed is Nicolas A. Müller.

You will find the required value in the "SpielerID" column of this list. Please make a note of this for when you create your account. If your name does not appear in the list, then no license has been issued yet. If this is the case, please send a short email to the person responsible of your club and briefly describe the situation.

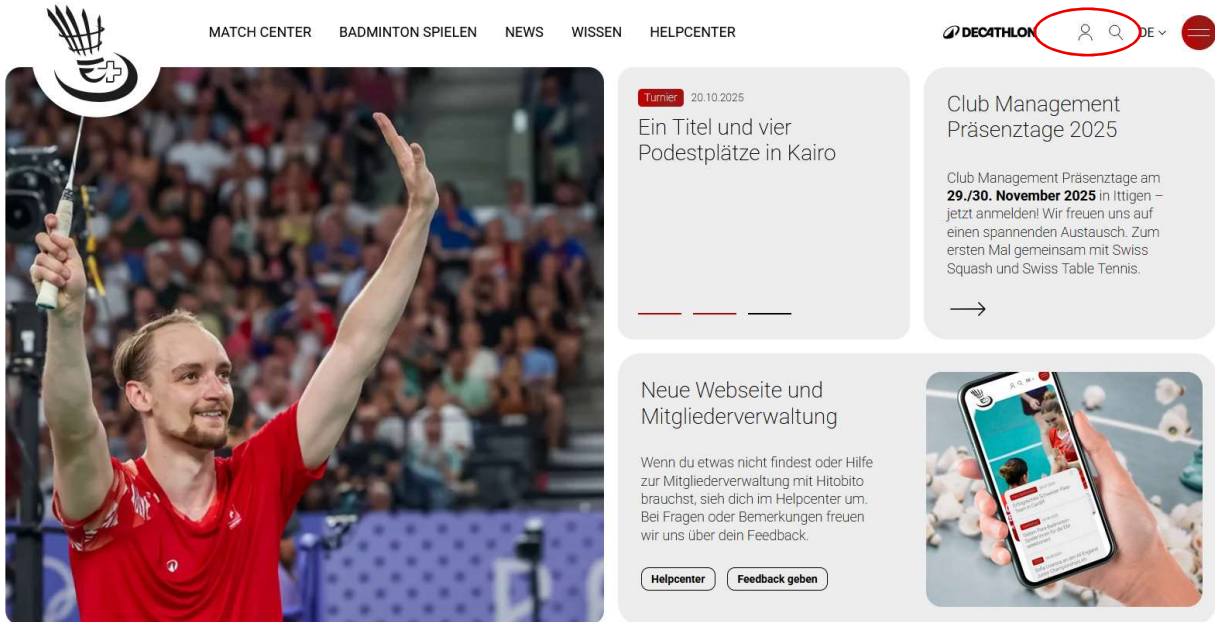

The screenshot shows the same 'Swiss Badminton Ranking (52-2025)' page, but with the club filter set to 'TV Arlesheim Badminton'. The search filter area is highlighted with a red box. The table now displays only players from this club. The columns are 'Rang', 'Spieler:in', 'SpielerID', 'Punkte', 'Anz. Resultate', 'Level', 'Region', and 'Verein'. The first player listed is Patrik Meyer.

Now we can get started with the real work!

# CREATE AN ACCOUNT

On the homepage (<https://www.swiss-badminton.ch/>), you will find a link to the login in the top right-hand corner. Click on this and select “Login Tournament Software.”

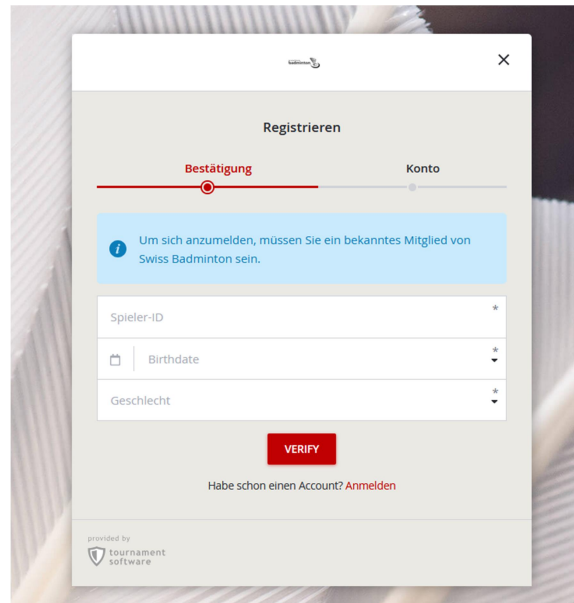

This link takes you to the following screen:

To create a **new** account, click on “Registrieren.”

In the following screen, you must provide information to verify your identity.

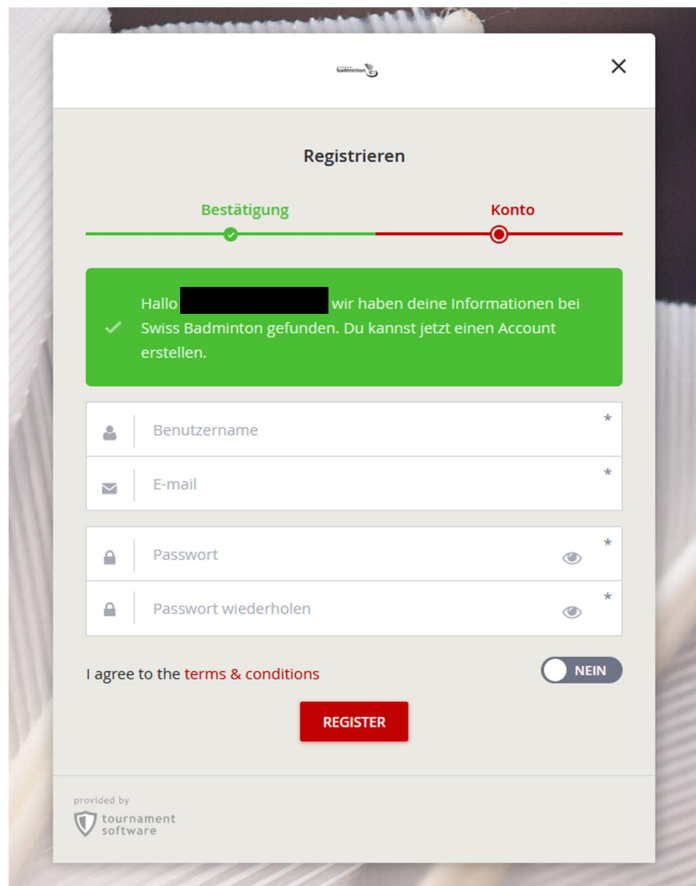

The image shows a mobile application screen titled "Registrieren" (Registration). At the top, there is a progress indicator with two steps: "Bestätigung" (Verification) and "Konto" (Account). The "Bestätigung" step is currently active, indicated by a red circle and a red line. Below the progress bar, there is a blue information box with a white exclamation mark icon and the text: "Um sich anzumelden, müssen Sie ein bekanntes Mitglied von Swiss Badminton sein." (To log in, you must be a known member of Swiss Badminton). Below this, there are three input fields: "Spieler-ID" (Player ID), "Birthdate", and "Geschlecht" (Gender). Each field has a small asterisk icon on the right side. Below the input fields, there is a red button labeled "VERIFY". At the bottom of the form, there is a link that says "Habe schon einen Account? Anmelden" (Already have an account? Log in). At the very bottom of the screen, there is a small logo and text that says "provided by tournament software".

The player ID was already noted in the first step and can now be entered.

Filling in the remaining two fields should not be a problem. There have been cases where an error message appeared after pressing "VERIFY." However, pressing it again worked. There has also been a problem where Swiss Badminton had stored an incorrect date of birth, causing the error message to appear permanently. In this case, you can send a quick email to the person responsible of your club and describe the problem.

Now, in the final step, you will see the following screen:

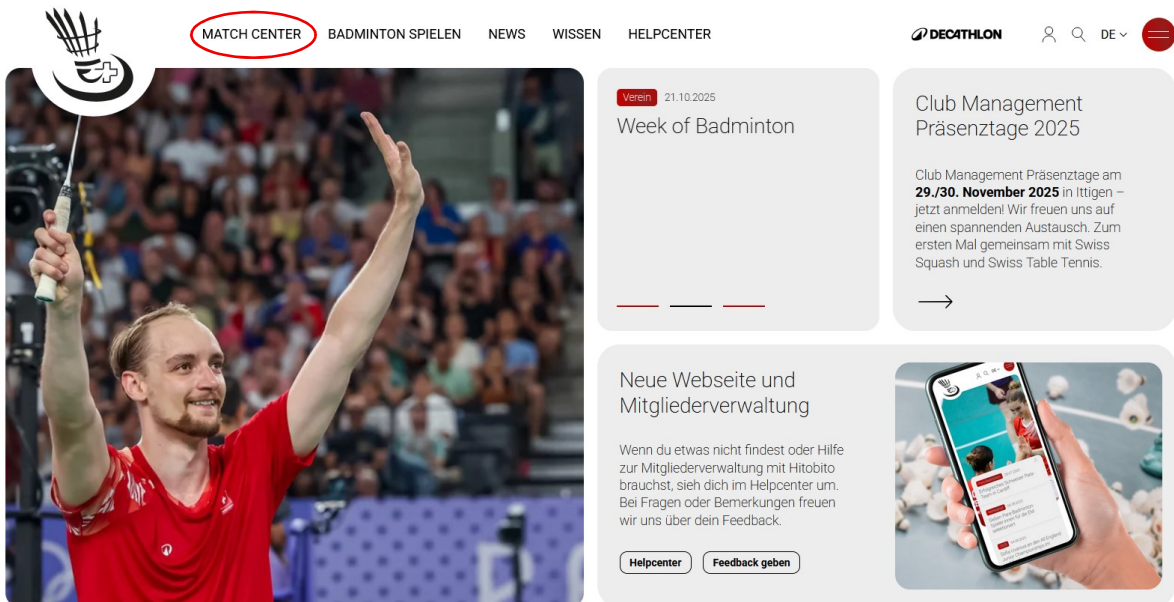

The image shows a mobile registration screen titled "Registrieren". At the top, there is a progress bar with two steps: "Bestätigung" (Confirmation) which is completed and highlighted in green, and "Konto" (Account) which is the current step and highlighted in red. Below the progress bar, a green notification box contains the text: "Hallo [redacted] wir haben deine Informationen bei ✓ Swiss Badminton gefunden. Du kannst jetzt einen Account erstellen." Below this, there are four input fields: "Benutzername" (Username), "E-mail", "Passwort" (Password), and "Passwort wiederholen" (Repeat Password). Each field has a small icon on the left and an asterisk on the right. The password fields also have an eye icon to toggle visibility. At the bottom left, there is a checkbox for "I agree to the terms & conditions" and a "NEIN" button. A red "REGISTER" button is centered at the bottom. The footer includes the text "provided by tournament software" with a logo.

**You can choose any username and password you like, which you will need to log in in future.** You can use letters, numbers, dots, hyphens, or underscores. Please don't forget to accept the terms of use. A sensible username would be something like "firstname.lastname," as this is easy to remember. After registering, an email will be sent to the email address you provided, which must be confirmed in order to activate your account. Once this has been done, you can log in to the homepage using your chosen username (not your player ID) and password, where you will have access to a wealth of information and can also register for tournaments. The steps you have now taken will never need to be repeated. **However, you should definitely remember your username and password for future use!**

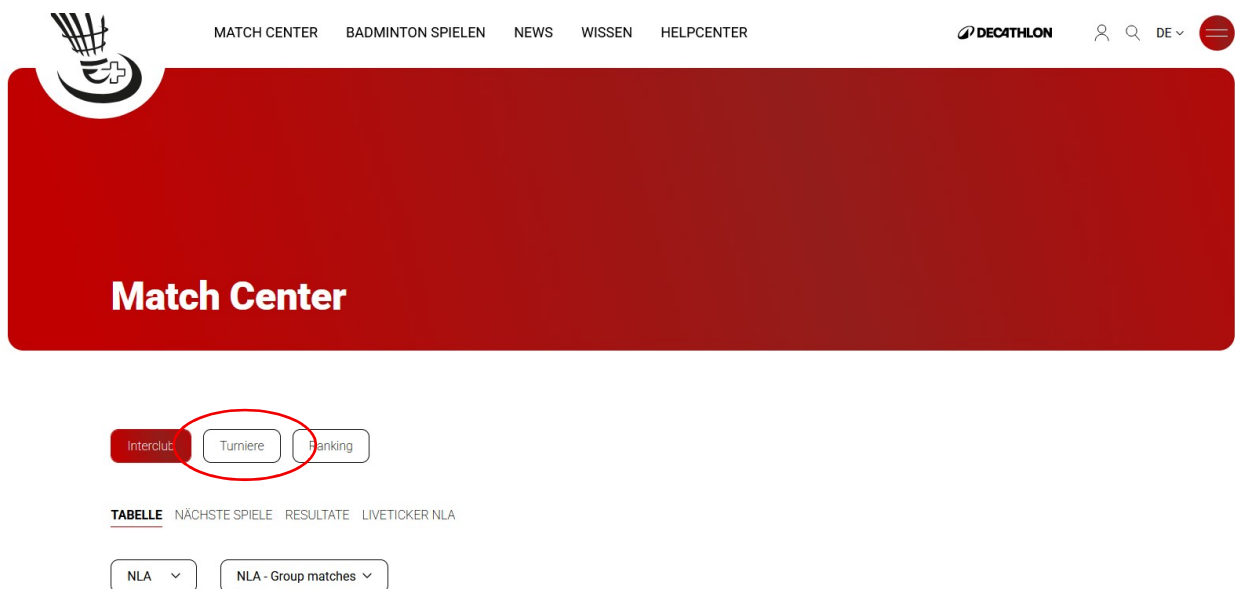

You can find out how to register for tournaments on the following pages.

# REGISTRATION FOR A TOURNAMENT

It is assumed that registration has already been completed and that you know your Swiss Badminton account username and password. To register for tournaments, go to the Swiss Badminton homepage (<https://www.swiss-badminton.ch/>) and click on "Match Center" at the top of the page.

Then select the "Turniere" tab.

Scroll down the list until you find the tournament you want. This guide uses the first BVN tournament of 2026 (BVN Junior Tour - Allschwil) as an example.

When you click on "Ausschreibung," you will see the most important information about the tournament. When you click on "Überblick," you will be taken to the tournament website. To register, however, you must click on "Anmeldung." If a login window opens, you must log in with your **username and password**. You should then be redirected to the registration window.

«Meine Daten» can generally be ignored and are not relevant for registration. However, if any information is incorrect, you can report this to your trainer; you cannot adjust the data yourself.

Please note the following points:

- Since the BVN tournaments are played in skill groups and not in age categories, U-19 has been set as the age category. This does not mean that you will be competing against players of the same age. The respective tournament management will assign players to the appropriate pools once all registrations have been received.
- If you register for doubles or mixed doubles, don't forget to also note your doubles partner. Since mixed and doubles pairings are combined, it is not possible to register for both disciplines, i.e. doubles and mixed doubles.
- Registrations for the event day are still not being taken via the Swiss Badminton website. Please simply send an email to the person responsible of your club before the registration deadline and you will be registered by the club.

Once you have confirmed your details at the bottom of the page, you are registered for the tournament!  
Congratulations, you've done it! 😊
